FESTIVAL THREADS

From the top of the Mountain to the front of the Arena Stage.

Get creative, sparkly, festive. We welcome your adventurous fancy dress sense here at Rise and will have our Rise elves scouting around dishing out prizes for the King and Queen of the day with some epic prizes.

Wednesday is our Snow disco – think retro brights, leg warmers and serious clashes.

Everything will culminate on our official Christmas Day where Christmas cheer is truly inescapable (Thursday) – Live your best “Wham” Last Christmas life, polish off those baubles and pack your Christmas worst because Rise Christmas is gonna get you!

Tip: Forget the heels! It is snowy!

Essential tip: Stay warm and always take your coat. All venues have cloakrooms (some paid) – temperatures can get to minus 20 so stay safe!

LEAVE IT AT HOME

We can only tell you once- drugs, weapons, air horns, firecrackers, sharp and dangerous items...leave them at home. The dealing in or use of illegal drugs is not condoned by Rise Festival. Drug enforcement laws are as applicable on site as anywhere else in Europe. Local authorities will deal with drug offences in accordance with guidelines. No anti-social behaviours or illegal activity will be tolerated, and we will remove your festival ticket if this is the case so let's leave any illegal behaviour in the valley.
