

BECOME A RUN LEADER AT LOVE TRAILS FESTIVAL

Love running, adventure and music?
Become a Run Leader, and you'll play a rewarding role in Love Trails Festival.

WHAT IS A RUN LEADER AT LOVE TRAILS FESTIVAL?

Love Trails Festival prides itself on being a non-competitive running festival, including self guided, and guided trail runs from 3km to 55km. Guided Trail Runs are lead by our amazing volunteer Run Leaders, and are a huge and integral part of Love Trails Festival.

Guided Trail Runs are socially paced trail runs of groups of no more than 30 people, varying in distances across the weekend. Being a Run Leader isn't about being in front, it's about managing and looking after your group, knowing the route, and making sure nobody gets left behind.
